Mission Statement: “Improve the quality of life in Southeast Columbus by taking a leadership role within the community to identify needs and provide funding and support to meet these needs.”

SOUTHEAST LIONS

“The Club That Gets Things Done”

South-enders South-siders Unite!

We are All in this Together

The Southeast Lions were founded in 1940 and have been serving the south-end/south-side of Columbus for 81 years and this is our 73rd edition of the Lion’s Roar. Much has changed throughout the years, but one thing remains the same, we all love our neighborhoods. Whether we grew up here or are just moving in, and whether we identify as South-enders or South-siders, we continue to love and serve our community welcoming everyone in our work space, our neighborhoods-all in hand helping our neighborhoods thrive.

The SE Lions have proudly supported hundreds of neighborhood programs, schools and

organizations throughout the decades, donating millions of dollars and logging tens of thousands of service hours. Despite our long history of service, we are invigorated by the spirit and resilience of our neighbors and are committed to serve for decades to come. And we ask for your help. Whether you would like to join our club, donate your time, your treasures, or simply be a good neighbor by being an advocate in your community. We ask that you commit to help making 2022 better than 2021, by joining us. Every member, every hour of service, every dollar and frankly, every friendly gesture like a wave or smile, will help us

all thrive. We ask that you join us in celebrating and supporting our beautiful South-end/South-side neighborhood. You can be the example of what it means to be united in our community. We are all in this together!

Learn more about our SE Lions club and our neighborhood now! Please consider making a donation at [www.columbus-southeastlions.org](http://www.columbus-southeastlions.org).

The Southeast Lions are a 100% volunteer service organization and all proceeds donated to the south-end/south-side stay in the south-end/south-side. Let us know if you are a South-ender or South-sider and post a video or photo on our Facebook group page “Columbus

Southeast Lions Club”. We wish you a 2022 filled with good cheer, great neighbors, good will toward one another and great times together.

Please Help us Help Others! All Donations Appreciated!

It’s Never Too Late... you can still join the community effort of the Southeast Lions Club by

### Eternal Service

As the years roll along, we come and we go. God visits His garden and picks the finest. We are thankful for having rubbed elbows with these Lions. We thank God for their being, for their loyalty, for their love and respect, for their membership, for their service to others, and for our beautiful memories.

# The President’s Message

*Blessed Holiday Season to all our members,  
friends & sponsors!*

Our club is exciting and growing in 2021 by another four (4) members. Diversification continues to grow as we blend all walks of life into our club. We are reminded that the most important requisite to joining our club is that - one must have a willingness to serve the citizens in the south side of Columbus. If you have that desire to serve the youth and others less fortunate than ourselves then feel free to attend one of our meetings and consider joining our SERVICE oriented club.

Furthermore we celebrated 60 years of dedicated service by Lion John Hoermle this summer. 60 years! For over half a century Lion John has dedicated his life to serve others and give back to his community selflessly. We had a beautiful Autumn day lake-side celebration with barbeque, drinks, laughter and boat rides – a perfect day to celebrate and with many of John’s family. What an accomplishment! Thank you Lion John for your continued dedication and service to the south side. We are again meeting in person with fewer meetings this year however this has not stopped our ability to serve the community and remain “the club that gets things done”. We continue in this way with the support of our sponsors and contributors of our club – **Thank you!**

I have been honored again to serve our club during this year. Commitment and dedication to service within the south side of Columbus is what our club is about. Many of the programs sponsored by our club have been serving the south side for decades and the Southeast Lions Club supported them again this year, thanks to you! Without your financial support we would not be able to contribute to so many vital missions in Columbus - thank you!

We are reminded of every act of service we commit, we may never understand the ripple effect that occurs from touching one’s life, yet we are touching lives and making a difference, making things better for others. This is our mission! I would like to thank everyone of our advertisers and supporters for being there for us – our success is dependent upon your generous donations to our cause. As a SE Lion’s club we define success as being able to do more, give more, support youth activities and impact lives of our community in the south side. I congratulate one of our newer Lions, Lion Donna Bates for her prestigious award this year. Lion Donna joined the SE Lions several years ago and is already an officer on our board. The city of Columbus presented an award to Lion Donna as an “*unsung hero*”, making her neighborhood (on the south-end) a better place and involved in countless community organizations. See for yourself - <https://cbusismynbhd.org/#donna>. Lion Donna states, “*that she follows in her mother’s footsteps of active collaborative activism*”. Thank you Lion Donna for your selfless service to your neighborhood in the south-end. You are truly a servants servant with a heart of gold!

I would also like to thank all our Lions that selflessly serve and play a vital role in the success our club. Thank you for your continued dedication and hard work in touching lives of others in our community.

May God continue to bless our service and our community in the south side of Columbus.

Blessings & Good Health,  
Lion President Kelly Reagan

**Easter Egg Hunt**

**73 Years—Southeast Lions Easter Egg Hunt**

The pandemic did not stop us from holding our 73rd annual Easter Egg Hunt this year, however the pandemic did require some creativity. Instead of having a “hunt”, we had the Easter Egg-stravaganza - neighborhood children and families came by the Schiller Recreation center for a bag full of treats, including a high quality, solid chocolate easter bunny from Winan’s Chocolates, Winan’s fourth year supporting the hunt. Volunteers from the Schiller Recreation Center staff as well as our Lions and neighbors from German Village, came out to help fill bags and greet families. We were able to get the Easter Bunny to attend this year much to the delight of the kids who came out. The Easter Bunny also dropped off a three foot chocolate bunny (Big Max) from Winan’s to the Ronald McDonald house. The kids had a great time smashing the big chocolate bunny so that all could share. We will see you next year for our annual Easter Egg Hunt. Thank you to all who helped us keep this tradition going on the South Side.

The Dominican Learning Center (DLC) serves adult learners seeking to improve reading, pass the GED examinations or learn English as a Second Language (ESL).

Longtime Lion Maarten Swart was the Southeast Lions representative to Dominican learning Center for many years and endorsed their projects, volunteered and supported the center for many years. After the passing of Lion Marteen & Lucie the Swart family provided a generous donation to the Southeast Lions Foundation which enabled the Southeast Lions Club to honor Maarten & Lucie by presenting a generous gift to the Dominican Learning Center this past summer to further their vital mission to the community.

# “Southeast Lions grow membership”

The Southeast Lions, which recently celebrated 81 years of service to the southside of Columbus has grown membership by twenty percent amid a pandemic with six inductions to the club from August 2020 to April 2021. Our membership ranges from:

“The recent induction of four women into the Columbus Southeast Lions is significant as each brings differing and unique skill sets along with a passion for service” said membership committee member and long-time southside resident and activist, Donna Bates. “It will be exciting to see this collaboration of new members working with established members to ensure the organization’s legacy of service continues as we strengthen our membership with diverse and talented individuals”.

“I was inspired to keep the Southeast Lions traditions going, infuse passion back into those areas they have supported year over year and help develop new areas to support”, shared new member Ellen LePera. “I have been supporting my husband, Lion Marc Borst’s service to the club for many

years and felt now is the time to join the club and become even more active on the southside”.

Realtor and community advocate Amanda Roderick joined because she wanted to get more involved in supporting and serving the greater Southeast Columbus community and to meet new people who feel the same. “I’m inspired by the history of the group and the amount of investment that it has contributed to our Southeast Columbus neighborhoods over the decades, and I am excited to be a part of it going forward!” said Amanda.

The Southeast Lions have supported over 2000 projects in the community, including initial funding for Nationwide Children’s Hospital in the 1940’s and volunteer efforts with Keep Columbus Beautiful.

“I joined the Lions because I see the Southside as my second home for the past 17 years and have always felt welcomed by the residents of this community and hoped to join an organization that 100% exists to give back to the community”, said Nationwide

Children’s Hospital Community Relations Project Manager and new member Carla Fountaine. “I feel the Lions are that and more”.

Sherri Palmer, who served as the Manager of the city’s Keep Columbus Beautiful program for 15 years including efforts such as Plant Pride on Parsons and litter abatement program Kick Butt Columbus, joined the club because the Southeast Lions represents a history of service to the southside. “I feel honored to be asked to become a member and hopefully can utilize my experience in working with our neighborhoods to help advance the club’s mission which is simply to serve the southside”.

With over 81 years of dedicated service, the Southeast Lions stand ready to support the southside even more as the neighborhood embraces its rich history and welcomes new neighbors and potentially new members to the club.

The only requirement to join the Southeast Lions is a willingness to serve and a love for the Southside.

For more information on membership go to

The Southeast Lions club has been serving the Columbus community since 1940. Our mission is to improve the quality of life in Southeast Columbus by taking a leadership role within the community to identify our neighbors challenges, and provide funding and support to those in need. Being a Lion is not just about service. It’s also about fun, friendship, and fellowship. Many life-long friendships are established through the Lions work be it, service projects, fundraising efforts and community meetings. As part of the Southeast Lions club, community is the center of what drives us to honor our mission.

**SVOSH:**  
**The Ohio State University College of

Dear Friends and Family,

I am super excited to report that SVOSH has returned from another successful mission to bring sight to those less fortunate. This year we were blessed to be able to travel to Maryville, TN with 10 students and 2 doctors to provide care to 231 patients. None of this would have been possible without the continued prayers and monetary support that you donate, and for that we are all eternally thankful. This was the first trip SVOSH was able to serve since the COVID-19 pandemic began, so although things looked a little different than usual, it was still overall a successful mission.

We worked closely with Remote Area Medical (RAM) to provide the vision care screenings, and with their help we were also able to work alongside dentists and primary care doctors who provided dental and medical care. Our president, Ellen Smith, shared a story of a patient staying the night in their car in the parking lot the night before our clinic just to get her eyes checked. The patient was so grateful to not only receive that care, but also receive their first pair of glasses in a long time. Ellen said that it allowed her to understand the health care disparities in our country in a new light.

During the trip we saw many interesting cases and conditions including diabetic retinopathy, cataracts, glaucoma, and various retinal hemorrhages. After patients were seen by us, they would go and pick out a new pair of glasses free of charge to take home with them that day. One little girl that I did pre-screening tests on was so excited to pick out a new pair of glasses because her current pair were missing a temple on one side and had been taped up on the other. When I saw her in the hallway later on that afternoon she said that she couldn't remember what it was like to not have to hold one side of her glasses up so that they didn't fall off.

After two long and rewarding days of clinic, SVOSH kicked back to relax and enjoy the beauty Tennessee had to offer.\* We went ziplining through the Smoky Mountains, explored downtown Gatlinburg, and were able to listen to a local band at dinner one night. Being able to share stories of the clinic and laugh about the memories made was worth all the time we put into the days at the clinic.

This trip was extremely successful as a direct result of your generous contributions. We truly made a difference in our patient's lives, and they most certainly have touched ours for eternity.

Thank you for giving all of us the opportunity to give the gift of sight to others around us.

\*This part of our trip was funded personally by each student. All donated funds went toward the clinic days of the trip.

*Celebrating 60 years of service*

The Club celebrated 60 years of Lionism with John and Elizabeth (wife) on September 18th at Buckeye Lake Ohio. What an awesome achievement - 60 years serving the community as a Lion!!

Over 15 Lions and their families celebrated with Lion John Hoermle and Liz on September 18, 2021 for his 60 years of service with the club. John joined the Southeast Lions at 21 years of age following in the footsteps of his father William and uncle Herman's footsteps in service. William was a founding member of the club in May, 1940.

John served as president from January thru June in 1972 after the death of Doc Carlisle. He has served in many director and officer

positions over the years. He worked at Hoermle Appliance Store at 1894 Parsons Avenue as many of you may well remember purchasing a television or appliance from them.

GOOD PROGRAM

Life's Lessons is the theme for the GOOD Pogram that is sponsored by The Southeast Lions in Southeast schools. Thanks to all who support our annual Southeast Lions Roar "GOOD-News" Paper we have provided for the GOOD Program for area schools. Special appreciation to Ron Derry the founder of this unique program for students

HAVE A GOOD-DAY

For Several years the Southeast Lions have sponsored Lion Ron Derry and his GOOD Program in the southeast community. The GOOD Program teaches students to go on and not accept defeat. Ron focuses on life and the lessons learned by turning a negative situation into a positive experience. He tells his own story of losing his sight but not his vision for life. Through students and teachers, letters addressed to the Southeast Lions, we know the GOOD program affects lives in a positive way. Therefore, your Southeast Lions Club believes in the GOOD Program and are pleased to sponsor it in our community. Funding of the GOOD Program is possible through our Southeast Lions Roar. We thank all who choose to support our Southeast Lions Roar.

THANK YOU

I want to thank the Southeast Lions for giving me the pleasure and honor of participating in your annual Southeast Lion's Memorial Golf Tournament. It was a fun and enjoyable day. However, the purpose of this letter goes to far beyond golf. Since losing my sight in 1995, God has bestowed many blessings upon my life. One of those blessings is giving me the insight to found the GOOD Program, and share many valuable life lessons I have learned through blindness with children in schools. I must honestly say though, that Ron Derry and the GOOD Program would be nothing without the help of others. Throughout the years, superintendents, principals, guidance counselors, and teachers have scheduled the GOOD Program into their schools to work with students. There are countless teachers who have provided me with classroom environments where children are responsive, enthusiastic, polite, and well-behaved. The guides who have worked with me through the years have been very dependable in all their duties. They are the sponsors outside of district funding who have given me the opportunity to work with children in their local areas. Then there are the Southeast Lions. Words can't begin to express my deep, heart felt appreciation for everything you have done for me over the past several years. There is the financial support which allows me to fulfill my dream of working with children. There have been anywhere from 19 to 22 schools each year where you have brightened my day by giving me the opportunity to work with students in Southeast Columbus. Thank you so much for all these blessing. Please understand though that you are far more to me than a financial donation. Whenever I have attended one of your functions, I have walked away knowing that I have just spent time with a group of people who truly care about others. Your friendliness, warmth, and kindness always bring a bright light into my life. I sincerely consider you one of the greatest blessings God has ever given to me. Thank you, thank you so very much.

With love and respect,  
Ron Derry

A "GOOD" TIME

Dear Southeast Lions Club,

Mr Ron Derry and Miss Amy were the best people I've met. they let me know that whatever goes on in life you can do whatever you like and I really like the calcalator and the play they set up, it was amazing. I really like Miss Amy she was really funny and fun. Mr. Ron Derry taught me a really big lesson to not bully but be successful in life and he taught us G.O.O.D. and it was a fun day with them and having a good laugh but now I know to keep pusching myself to work harder and be great.

Sincerely,  
Kayden, 4th Grade

# LiFEsports

LiFEsports is a sport-based positive youth development program operated by The Ohio State University. LiFEsports promotes leadership and life skills through sport within their summer camp, year round clinics, and Youth Leadership Academy. Each year they serve over 500 youth from socially vulnerable circumstances across 44 zip codes in Central Ohio! LiFEsports operates programs on campus, as well as in two community-based sites at the Beatty and Linden Community Centers. LiFEsports is more than sports. They teach valuable social skills (Self-Control, Effort, Teamwork, and Social Responsibility; SETS) kids need to be successful on and off the field!

Jermaine has been involved in LiFEsports since he was 9 years old. Here's what he says about his LiFEsports experience:

"The role and thing that LiFEsports taught me is that there is more than one way to do things. I learned to improvise, be flexible, stay calm, and be level-headed under stress when I was a kid and then when I was managing kids because those two aren't that different. I learned you have to account for your own thoughts. I also see a lot that carried

over in terms of being flexible. I had a bump in the road with school and took a break and then I got back to it as soon as I could. I also learned about non-verbal relations...like not every kid is not good with words, but I will say the other 85% is nonverbal and that is how I came to understand them better. Kids might not always say what you want them to, but you can see a shrug or them digging in their heels or a frown and I learned a lot being around children that applies so much to adults."

Jermaine continues to volunteer at LiFEsports clinics and events while attending school and working at Amazon. He is a pillar of the program and remains in touch with program staff and the friends he made at LiFEsports.

Coach Sam, a former YLA program manager said of Jermaine, "He always wanted to work with the little kids and had the patience to make them feel seen, valued, and heard. Over the years, I watched him evolve into a leader within the program – leading his peers and the younger youth in the program. I have no doubt he will be an incredible doctor and advocate for children in the future."

Jermaine currently is studying medical imaging at Columbus State

University, as well as works at Amazon to help pay for school. He wants to become a doctor and work with kids. Certainly LiFEsports has made a big impact on this bright

young man! SouthEast Lions Club is proud to support this program. Check out their website for more information: [www.lifesports.osu.edu](http://www.lifesports.osu.edu).

"Growing up through Lifesports has allowed me to see a great deal of things. One being the amount of care being shown towards me. This has allowed me ample time to analyze growth in health ways that I would have not if I hadn't experienced it from the mentor-ship like program that is Lifesports. Time and time again I think back and see the care given to me; if that care was given to the rest of the world, rather if we all acted in such ways the world would be a better place". J. Hilton

# ECHOING HILLS

The Southeast Lions Club has sponsored campers from our service area for decades and this year the Lions were honored to visit the camp, sponsor two (2) campers, and present a check

As a non-profit Christian based camp founded in 1967, it continues serving adults and children with intellectual and/or developmental disabilities. The camp is located in the beautiful rolling hills of rural Coshocton County, serving campers throughout seven weeks of each summer. The camp promotes a strong sense of community and takes great pride in building

relationships with one another. Participants arrive at the camp during the summer throughout the state of Ohio as well as around the country to building memories lasting a lifetime.

What really makes Camp Echoing Hills stand out is their dedication to investing in the lives of the people they serve.

Camp Echoing Hills was designed and built to be a handicap accessible facility. This unique setup ensures that campers are able to take part in most of the activities, making each camper's week both memorable and fun.

Some of the activities are:

- Swimming and playing in the pool and splashpad
- Racing around a track on go-karts
- Singing & sharing in a talent show
- Team-building on the "frontier challenge course"
- Riding with friends on a hay wagon
- Enjoying a cookout topped with s'mores

# MEMBERSHIP SERVICE OPPORTUNITIES

The Southeast Lions club has been serving the Columbus community since 1940. Our mission is to improve the quality of life in Southeast Columbus by maintaining a leadership role within the community to identify our neighbors' challenges and provide funding and support to those in need. Being a Lion is not just about service. It's also about fun, friendship, and fellowship. Many life-long friendships are established through the Lions work be it, service projects, fundraising efforts and community meetings. As part of the Southeast Lions club, community is the center of what drives us to honor our mission.

With over 81 years of dedicated service and 2,000+ projects, the Southeast Lions stand ready to support the southside as the neighborhood embraces its rich history and welcomes new neighbors, residents and businesses. Members of our club range in age from their 20s to their 90s. We have veterans from WWII and members who just graduated from college. This makes our club special as members learn from each other and serve together to make the neighborhood stronger and more vibrant. We welcome diversity. We are looking for residents and businesses in our service area to join

our ranks by continuing the legacy of the clubs' service. The only requirement for joining is a willingness to show up and selflessly serve. Come meet us at one of our general meetings and get to know our pride. Email us at [selions@outlook.com](mailto:selions@outlook.com) for meeting or membership information.
